About Us

Dr. A.H. Rizvi
President

The mission of Dr. Akhtar Rizvi Educational Trust is to bring prosperity and progress to the students of rural and semi urban areas by making them conscious to higher & technical education.

This institution has been established under the chairmanship of Hon^{ble} Dr. Akhtar Hasan Rizvi, Ex. MP (Rajya Sabha) and is being efficiently managed by the young and dedicated Mr. Karrar Hussain, Secretary of Trust.

To emerge as a 'Centre for Excellence' offering Technical Education & Research Opportunities of very high standards and strive to set standards by providing opportunities for students to realize their full potential, identify their hidden talents, and do shape them into future leaders and entrepreneurs who in turn shall contribute to the advancement of society and human kind.

Our Mission is to garner technological competence and a spirit of professionalism in young minds upholding the highest standards in moral, social & ethical skills with sensitivity to the environment & the world around. The management & faculty commit themselves towards imparting, achieving and sustaining unmatched technical excellence with high standard of teaching and social skills to build leadership and technical acumen of the students to enable them to face the challenges of the nation.

Institute Profile

Dr. Rizvi Educational Trust, Karari, Kaushambi on the Allahabad Manjhanpur Road, is a well developed Educational Trust. Dr. Akhtar Rizvi Educational Trust was registered in the year 1995-96 for the purpose of promoting education to the poor and middle class students from the rural areas in the campus of 80 bighas. There is a law college, a college of arts and science, a CBSE affiliated English medium school (up to XIIth standards) and an Engineering college.

These institutions are well known for providing human resources for the growing national, and global demands of qualified engineers, lawyers, trained graduate teachers and professionals. Our institute is well equipped with highly technical environment, highly qualified and experienced faculty. The latest literature in library, various laboratories in different departments and equipped with the latest technologies.
